

ATHANASIOS TSOLIS

THANOS RAPHAEL T.

SOFTWARE ENGINEER

FEW WORDS ABOUT ME

I'm Thanos (Thanos Raphael) and my passion is coding. I have been coding since I was **15 years old**. At the age of 24 I created my own company **Oraclon (ex. CVI Productions)**, active for **6 years** in order to develop algorithms, websutesm web applications and automations.

The achievement that I am mostly proud of is **the creation of my personal assistant**, namely an **artificial intelligence** named **Oraclon**.

My ingenuity and appetite for knowledge, my adaptability and my ethics, my creativity teamwork and communication skills are amongst my advantages.

WORKING EXPERIENCE

10/2022 - Today **AIMS International DWC-LLC**
Senior Full Stack Engineer

- AI Applications
- AI Based Home Automations
- AI Based main Applications
- Bot Algorithms

SKILLS

HTML5 | 9.6 / 10

CSS3/SCSS | 9.6 / 10

JAVASCRIPT | 9.6 / 10

TYPESCRIPT | 9.6 / 10

BASH | 9.6 / 10

PYTHON | 9 / 10

C# | 8.6 / 10

ANGULAR | 7 / 10

SQL | 6 / 10

POSTGRES | 6 / 10

PHP | 8 / 10

C | 6 / 10

C++ | 7 / 10

NODEJS | 5.8 / 10

OS

Linux | 9.6 / 10

macOS | 9.6 / 10

Windows | 8 / 10

EDUCATION

Technological Educational Institute of Central Greece

2008-2012
Grade 8.6

Department of Computer Engineering T.E.

Sivitanidios Public School of Arts & Professions

2004-2008
Grade 18.5

Department of Electronic and Computer Systems, Installations, Networks and Telecommunications Technician

SEMINARS & CERTIFICATIONS

Udemy Certificate 2024
by: Maximilian Schwarzmüller
Angular - The Complete Guide

Udemy Certificate 2024
by: Dr Jon Krohn
Mathematical Foundations of Machine Learning (On Going)

Coursera Certificate 2023
by: Andrew Ng
Deep Learning Specialization

Coursera Certificate 2022
by: Andrew Ng
Machine Learning Specialization

Udemy Certificate 2022
by: Loek van den Ouweland
Build Neural Networks in Python

Seminar 2015
ML Cost Methods & Usage Reasons
